This matter is before the court on Plaintiff's *pro se* complaint, filed in this court pursuant to 42 U.S.C. § 1983.

In accordance with 28 U.S.C. § 636(b) and Local Civil Rule 73.02 (B)(2)(e), DSC, this matter was referred to United States Magistrate Judge Bruce Howe Hendricks, for pre-trial proceedings and a Report and Recommendation ("Report"). On September 27, 2012, the Magistrate Judge issued a Report recommending that the complaint be dismissed without prejudice and without issuance and service of process. The Magistrate Judge advised Plaintiff of the procedures and requirements for filing objections to the Report and the serious consequences if he failed to do so. Plaintiff filed "objections" to the Report on October 4, 2012, requesting that the complaint be "withdraw[n] without prejudice." ECF No. 12.

The Magistrate Judge makes only a recommendation to this court. The recommendation has no presumptive weight, and the responsibility to make a final determination remains with the court.

*See Mathews v. Weber*, 423 U.S. 261 (1976). The court is charged with making a *de novo*

determination of any portion of the Report of the Magistrate Judge to which a specific objection is made. The court may accept, reject, or modify, in whole or in part, the recommendation made by the Magistrate Judge or recommit the matter to the Magistrate Judge with instructions. *See* 28 U.S.C. § 636(b)

After considering the record, the applicable law, the Report and Recommendation of the Magistrate Judge, and Plaintiff's "objection," the court agrees with the Report and its conclusions. Therefore, the court adopts and incorporates the Report by reference in this order.

This matter is dismissed without prejudice and without issuance and service of process.

**IT IS SO ORDERED.**
